Seniors End Year In Style

Senior Ball

The Senior Ball, "Times of Your Life", has come and gone but will still be remembered for a long time.

The ball was held at the Holiday Inn of Rochester on May 21 from 9:00 p.m. until 2:00 a.m.

Chaperones were Coach Santini, and his wife, Coach Jeff Fitch, his wife, and many other teachers.

Mr. Lyman C. Cook announced the queen and the four princesses. The queen was Karen Bartow, and she received a bouquet of orchids. The four princesses received a single rose. They were: Andrea Bull, Arlene Dilger, Leslie Jones and Pat Tobin.

Then the queen and king danced to "The Times of Your Life", and halfway through everyone else began dancing.

"The music was alternated between fast and slow," says Liz Chaffee, committee member for the ball. She added, "Mr. Cook said it was the best senior ball in 11 years."

Pat Tobin, also a committee member, comments, "It was well organized and went off really well."

Senior Banquet

The long awaited day for Seniors at FHS is almost here: the commencement exercises for the Class of '76. The ceremonies will be held June 25 at 7:30 P.M. in the FHS gymnasium. Because of the size of this year's class, admission to graduation will be by ticket only. Senior Class secretary Julie Burnham feels that "this year's graduation should be one of the best ever."

Fairport High School is graduating approximately 460 students this year. There will be four board members and four class advisors assisting in handing out the diplomas.

This year's guest speaker is Mr. Don Santini, varsity football coach and phys-ed teacher here at FHS.

All the class officers worked extremely hard on this year's graduation. Julie feels that "it

will be a memorable and unforgettable experience."

Graduation

The Senior Banquet was held June 11 at 6:00 P.M. at the Burgundy Basin Inn. The cost per person was \$6 dollars.

A buffet with sliced roast beef, baked chicken, hot potatoes, hot vegetables a break fruit bowl, toss salad, fruited jello, cottage cheese, rolls and butter relishes, cabbage salad and dessert was served. Awards given by the Senior Class were announced and handed out by Nancy Wickens and Roger Sumner. The last will and testament was also handed out.

The advisor of the Senior banquet committee was Mr. Joe Dayton. Members of the committee include Barb Cox, Barb Godek, Colleen Schoenig, Trish Nicolais, and co-chairmans, Bev Stamatis and Irene Peck.

Senior Bev Stamatis said, "It's a great way to end our senior year."

Cheers To Students

by Beth dePalma

Congratulations from the Lampion to the student body for being such an appreciative audience at the June 4 awards assembly! The awards lauding the students recognized years of diligent study and exceptional contribution to the school. We were proud and happy to see the onlooking students respond with respect and enthusiasm. Although the assembly was mandatory and actively involved only a small percentage of the student body, a quiet atmosphere was maintained and "uncalled for remarks" were absent. We also congratulate those students who through diligence and perseverance merited the recognition they received.

Fairport Farewell

The LAMPION staff would like to wish a fond farewell and best of luck to the teachers leaving for Minerva Deland next year. We know the students there will have the excellent teaching that we have been fortunate enough to share with you. You will be gone but will not be forgotten.

Lazy Days Of June

June is a girl's name. It is also a month of the year. June, (the month not the girl) tends to be boring with not much happening except the warmer weather and the release of millions of school children from the confines of the classroom, free at last to roam in the summer sun. A day by day run down of the month of June would put you to sleep. So here are some selected happenings that took place in June: The first 11 days of June, although they bring sun and warm weather, have not exactly filled the history books with happenings. Other June contributions, besides Flag Day and Father's Day are the Baseball Hall of Fame, dedicated on June 12, 1939; and the patenting of sandpaper on June 14, 1834. June 15 holds two rare feats. The first was Ben Franklin's lightening demonstration in 1752; the day was highlighted

149 years later in 1901 by the inauguration of the Orthodontist Society Constitution. June 18 also holds record to two events. The first bicycle traffic court was established in 1934 and later in the day the U.S. Post Office issued the first stamp commemorating a living American by printing the Charles Lindbergh air mail stamp. Another historical artifact didn't arrive until four days later on June 22 when the first machine to mass produce pins was patented in 1832. June 23, 1904 saw the first motorized boat race held in New York City. In 1951, on June 25, television history was made when viewers across the country witnessed the first ray of color shining on their screens, it was a soap commercial. June 26, 1847 the steam pile driver was patented. June 30, 1886, the last day of the month, saw the organization of the United States forest service.

Thanks And Good Luck

STUDENTS AT FAIRPORT HIGH SCHOOL

We wish each student a happy and prosperous summer. We will see you in September, 1977 looking forward to a good school year. To all graduating Seniors we wish you the very best - the best is yet to come.

Sincerely,

Mrs. S.G. Kingdon and Mr. M. Guarino

A Time For Friends

A friend according to Webster's Dictionary is a person on intimate and affectionate terms with another; a supporter; a well wisher. Everyone looks for something special in a friend; someone who is sociable, hospitable or amiable. Each person has his own standards for a "friendship." Whether we are friendly with someone for sentimental

reasons or just because they are fun to be around, friends bring a special feeling of warmth with them. Since friends are so special, August 1 has been set aside as "Friendship Day." A simple card or a small present is always a nice token of appreciation to give to a friend, just to let them know what they really mean to you.

FHS Students To Visit Cologne For Exchange

On June 26, the day after graduation, nine FHS German students will leave for Cologne, Germany. They will participate in school for 3½ weeks (six-day weeks). Following school, six of the students will leave for the Alps for two weeks with a youth organization from Cologne.

The FHS students are Chuck Murnier, Craig Schaeffer, Gail Cronkite, Wendy Treash, Steve Shriner, Alicia Garges, Ellen Megens, Rusty Powers and Harry Heysel.

This is the second part of the

Fairport-Cologne Exchange with our partnership school, the Hildegard von Binger School. Each of these students hosted a German student in their homes in April and will stay with their "sisters" in Germany.

Students have a youth fare ticket with open-ended return, meaning that they can return any time within one year of the departure date. Some students will take advantage of the extra time by visiting relatives. Others will be travelling with their host families. They will leave June 26, at 6:20 P.M. from Toronto to Cologne.

Letter to the Editor

Seldom does a student meet a teacher who he can openly correspond with. Someone he can learn from as well as share with. In my three years of attendance at FHS I have met only a few teachers of this caliber. One of these such teachers is Mr. Sam Ruggeri. But Mr. Ruggeri won't be teaching at FHS next year. As a member of Mr. Ruggeri's class I have learned much in a friendly environment and recently seen the devotion of his

students in their circulating petitions.

In times when Faculty and students are apart it seems a waste to lose a teacher that can communicate as well as Mr. Ruggeri does.

He will be a loss not only as a fine teacher but a good friend. The type of friend we can learn from and share with. There are still many excellent teachers left, but we will lose with his leaving one of the finest.

FHS Saves Memories

On Saturday, June 12, during the Bicentennial parade and festivities at Potter Memorial Park, a time capsule was presented that will be buried at the new canal park and dug up 100 years from its burial date. For the last three weeks, families residing in Fairport or Perinton were permitted to place one article weighing three ounces or less in the capsule.

The capsule will then be sealed on July 4, and stored until the Canal park is completed. The state has given

Fairport an Historical Marker and will dedicate the park as an Historical Site.

Hopefully the time capsule will be open on July 4, 2076 so the Fairport inhabitants of the future will learn what today's people were like and how we lived in our society.

The capsule is approximately seven feet long, 34 inches high, and 34 inches wide. The walls are over three inches thick, and the entire capsule weights more than 2200 pounds.

AOM Sorority Elects Officers

The AOM sorority held a meeting June 3 to elect new officers. They are as follows: President Patty Holland, Vice-President Linda Costanza, Secretary Maria Stolt, Treasurer Kim Guentner, and Sergeant At Arms Vicky Scavone.

The sorority plans to have a car wash July 10, and a picnic July 17 for all members.

Vicky Scavone comments, "Even though the sorority wasn't together this year, it will be different next year. We have really good plans and are ready to carry them through."

GIVE and TAKE

by Marty VanDussen

With final exams inching painfully closer I decided to give everyone something to think about during the tests.

From the Hall Highlights newspaper of Hall High School in West Hartford, Connecticut comes some interesting ideas about cheating.

In a poll of 100 students at Hall 91% of all the seniors have cheated, with 79% of the juniors and 88% of the sophomores also admitting to having cheated. Of these same students 87% of the females and 84% of the males have cheated. Overall 86% admitted to cheating and of this 86%, 64% do it rarely and 35% do it sometimes.

Here's some of the different responses Hall reporters got to their questions. Have you ever cheated? "What do you think I'm doing now." "How often do you cheat? "Only when my neighbor's answers are right." and "I cheat if the test is unfair."

The two most popular methods are writing the answers down and using teamwork, sometimes with codes. Written answers go in such places as pencils, eyeglass cases, belts, pants, shoes and even on bras. The other popular method of class teamwork involves organization and cooperation. One student may distract the teacher while the others look up the answers in books or folders. Another favorite method of cheating is codes, utilizing sign languages, and coughing codes.

In order to find the faculty's views, Hall reporters interviewed twelve members of the faculty. They expressed the opinion that cheating is the result of lowered values and the heavy competitiveness of our schools and society.

Of the 100 students polled 72% thought cheating was immoral, 39% were undecided and a surprisingly large group of 24% thought it moral. The teachers believed that the large percentage (24%) thinking cheating was moral came from seeing those they respect cheat in life, despite the old saying, "You are only hurting yourself," who cheat quite successfully.

But perhaps you do cheat and get caught, you not only flunk with a zero, you also flunk the course and maybe even high school. Most colleges won't accept you and many companies won't hire you. One small incident may deny you a chance at college, graduation and even employment.

And this is something else to consider, would you like to be operated on by a doctor who cheated his way through medical school or have your life and property defended or your laws made by a man who cheated through school and college? It could easily happen.

Independence Reigns!

On July 4 we celebrate the anniversary of the adoption of our Declaration of Independence. When the news was first heard in Philadelphia on July 4, 1776 the bells and chimes all over town were rung. On Monday July 8, the Declaration of Independence was read for the first time to the people of Philadelphia by John Nixon. The crowd went to the Court

House and took down the King's Arms.

The fourth of July has been used to celebrate other occasions. On July 4, 1817, Governor DeWitt Clinton of New York dug the first shovelful of sod for the Erie Canal.

July 4, 1872 is also the birthday of Calvin Coolidge, the thirtieth president of the United States.

Recycling Center Pleads For Help

by Bill Borer

Recycling is one of the most desperately needed and beneficial of all ecological endeavors according to many ecologists. It is unfortunate, however, that the majority of people choose not to cooperate in this valuable program. It takes such little time and effort to save glass bottles and jars, cans and newspapers instead of wastefully discarding them.

The Recycling Center in Fairport needs your support. The center is located on Main Street in the Village behind Gypsum Services Corporation (on the left, just before you cross the railroad tracks going towards Penfield). It is run by the Perinton Greenlands Association, a non-profit organization devoted to ecological endeavors.

All proceeds from the recycling Center are used to support the organization's ecology work and also in send-

ing young children to summer camp.

The center accepts all kinds of glass bottles, newspapers, magazines and cardboard (cans must be taken to the American Can Company at 111 Parce Avenue, also in the village).

It is important that all metal caps and rings be removed from the bottles and that all cans, bottles and jars be rinsed out. Newspapers must be tied into bundles or placed in paper bags or cardboard boxes and put in the shed provided at the center.

The Perinton Greenlands Association urges everyone to tell their friends about the center and persuade them to contribute their recyclable materials. They suggest that if neighbors take turns taking each other's material to the center each family would make the trip less often.

Enslaves Faculty

"Coach Ludemann go slide into that puddle head first." "Coach Santini go do up-downs in that mud puddle." "Why don't you both bend down and yell out, 'I know my heart, I know my mind, I know that I stick out behind?'" These, along with other orders, were part of the slave auction that topped off this year's Spring Fling sponsored by the Varsity and Leaders Club.

In the slave auction, student and teacher volunteers had to dress up and be sold to people at the carnival. This meant that the slaves had to do whatever their owner or owners said until the carnival's end. Coach Ludemann and Coach Santini were the most popular and profitable slaves. The girls' softball team bought Coach Ludemann and the football team bought Coach Santini. They each had to do all kind of practice drills like the "Walrus," a football drill.

"The fair seemed to attract younger kids and unfortunately the high school students missed out on a lot of fun by not being there," said junior **Lynn Baldwin**.

"The carnival was a success thanks to the hard working people. Special thanks to the teachers involved. We didn't publicize like we had hoped to, but we can have this as a building block for next year's fair which will be an even bigger success," said junior **Sue Mangefrida**.

Business teachers present were Mrs. Janet Beardsley, Mr. Lex Sleeman, Mr. Jon Ward, Mrs. Sharon Bailey, Mr. Sam Ruggeri and Miss Pat Brady, advisor to the club.

Foreman Center

Fourteen Foreman Center art and music students along with music teacher, Mrs. McCarthy and art teacher Mrs. Hall were invited by the New York State Board of Education to participate in the All-State Art Festival in New York City.

The Festival was held May 29, on the Lincoln Center campus of Fordham University.

The student's musical and artistic talents were judged and Mrs. Hall's art students won 1st prize for the quilt they made collectively.

Yearbook Honors Toft

On June 7 Dawn Santiago and Sue Greenhouse turned over their Co-Editor positions to the 1977 yearbook staff. Both Co-Editors received their yearbooks at the awards assembly. They were presented by Mr. Lex Sleeman.

On this day the yearbook dedication was announced and Mrs. Judy Toft was honored.

The entire senior class picked the dedicatee by a

double vote. The first voting decided the top five finalists, and the second decided the one person to which the yearbook would be dedicated.

The dedication was announced by Dawn Santiago and Sue Greenhouse who presented Mrs. Toft with a personalized yearbook.

"The yearbook staff is proud of their work and plans to hold a staff party to finish this successful year," claims advisor Lex Sleeman.

J V Sports

Softball

The JV softball team ended its first season with a 9-3 record. Coach Jody Schmeelk commented, "The season was really great, but a little too wet."

On May 26 Fairport defeated East Rochester, 42-6 after only five innings. Sophomore Kim Welch and freshmen Mary Jo Kohl and Deb Treash all hit homeruns to lead the victory.

"We literally walked over R.L. Thomas," claimed Coach Schmeelk in their 16-15 victory on May 15. Thomas' pitcher walked in freshman Jennifer Haney in the eighth inning for the winning run. Sophomore Robin Brooks hit a double and triple. Pitcher Welch struck out three batters with Treash putting out six at second base.

The team lost to Sutherland 8-6 on May 24. Coach Schmeelk explained, "We were weak offensively. We couldn't get the bat on the

ball." Brooks batted three for three, including a triple.

Fairport was victorious in both games of its double header against Eastridge on May 21, winning 19-3 and 10-8. The first game found Englehart at the plate four times, hitting and scoring each time. The second game was tight up until the last inning. "Nancy Mangefrida saved the last game by making a surprise throw from right field to first base and getting the runner out. Even the umpire couldn't believe it," said Coach Schmeelk.

The team beat Penfield 22-16 on May 13. Treash hit a home-run and freshman Jane Billeter connected for four singles and one double. East Rochester was on the losing side again on May 12 as the Fairport club belted out a 39-3 victory. Homeruns were hit by Billeter and Englehart with Breed striking out four from the mound.

Lacrosse

On May 27, the J.V. lacrosse team beat Eastridge 10-5, at home. Scoring for the Raiders were Bob Seebold with one goal and 2 assists, Sean Rozsics with 2 goals Jeff Martens, Tim Mimken, P.R. Jones, Dave Greenhouse, and Ken Jamison each had one goal and Randy Marra had an assist. Goalie Darren Holupko made 23 saves in the victory.

Two days earlier, the team lost a heart-breaker to Irondequoit 4-3, at Northside. Rozsics had 2 goals and Greenhouse had one. Mimken and Marra each had an assist.

On May 22, the team defeated Penfield 5-3 at Penfield. Mat Gibbons had one goal and 2 assists. Jamison had one goal and one assist and Mimken had one goal and one assist. Martens and Rozsics each had a goal.

Achille Forgione Sculpts At FHS

Achille Forgione is our current artist-in-residence, and his specialty is sculpturing.

Achille is originally from Rochester, and is a graduate of R.I.T. Besides sculpturing, he also specializes in portrait photography, which he studied in California. Achille

runs a Fine Arts Studio on West Main Street in Rochester.

Achille stated that, "Everything I've ever done is related to art." He also added, "I came in to this profession as a result of studying under William Earich, professor of sculpture and fine arts at the U. of R. I sort of fell into it."

Wanted: Used books, paper backs, maps, poaters, records, etc. for the Friends of the Library Book Sale on September 10, 1976. Bring books, etc. to Fairport Public Library Mon.-Fri.

Tennis

The J.V. Tennis team ended its season on Thursday, May 27, with a 5-2 victory over Brockport. The victory enabled the Raiders to finish their season with a record of five wins and five losses. Winning for the Raiders were freshman Jeff Gerlach at second singles 6-1, 6-3, and sophomore Tom Rapp at third singles 6-1, 6-2. Also victorious was the first double team of sophomores Scott Giles and Bruce Mockett, 7-5, 3-6, 6-0, second doubles of sophomores Randy Hilkert and Al Bartalotta in straight sets and the third doubles team of junior John Main and freshman Todd Thomas won 7-5, 1-6, 6-4.

On Wednesday, May 26, the Raiders captured their first

shut-out of the year, defeating East Rochester 7-0. The entire team played well and won easily. Highlight of the match was Rapp's third singles victory in which he won 6-0, 6-0. The whole team is to be commended for their performance.

On May 20, 21, and 24, the Raiders ran into the toughest part of their schedule. On these days they lost to Eastridge 3-4, Brighton 0-7 and Sutherland 1-6. The losses did not come as a surprise to the players, however, as both the Pittsford and Brighton teams are perennial powers. While reflecting on the season Coach Rogers commented, "I think we did very well considering we played some really talented teams like Sutherland and Brighton."

Baseball

On May 27, the JV Baseball team lost a tough game to Eastridge by the score of 6-5. Fairport was down 5-0 at one point but came back to tie the game in the top of the seventh inning. Eastridge pulled it out in the bottom of the seventh with a run off losing pitcher Jeff Pelin.

Against East Rochester, the JV's showed some excellent hitting and pitching. John Carini tossed a two hitter and Gary Bednarcyck and Harry Piccarello had 9 hits in 9 trips to the plate between them. The JV's led all the way

enroute to a 30-1 win.

On May 24, Fairport picked up their ninth win against Irondequoit. The 4-1 win for the Raiders was sparked by pitcher Den Taft.

On Friday, May 21, Fairport pulled out a 3-2 win as Ken Hellwig drove in the winning runs.

Against Brighton, the JV's were again Victorious. Guy Piche and Taft combined to hold the Barons to one run. The game lasted 12 innings with Craig Luttrell getting the game-winning RBI.

Future Cheerleaders Are Selected

On Wednesday, May 26 final cheerleading tryouts were held in the FHS gym. There were 26 girls chosen, 13 for each squad. They will be cheering for the 1976 football season.

Representing the J.V. squad are sophomores Kathy Demmerle, Debbie Gillespie, Liz Iannone, Marie Nied, and Lisa Strong, freshman Maureen Bailey, Andrea Belaskas,

Sue Ellis, Mary Beth Hannan, Karen Kearney, Paula Moberg, Janet Wisniewski, and alternate, freshman Donna Aman.

J.V. advisor Mrs. Judy Johnson comments, "Each year I look forward to the fall sports season, this year will be no different. I'm sure it will be an enjoyable experience as always."

Representing the Varsity

squad are juniors Beth Coens, Gina DiPrima, Patty Goetz, Ellen Keating, Janet Korsch, Karen Petty, Maria Stolt, Diane Thomas, and Tracey Ward; sophomores June Allen, Jane Cox, Mary Donovan and alternate junior Lisa Jentsch.

Their advisor for the season will be Miss Audrey Bradford.

Predmore Wins County

Dan Predmore, who had missed most of the season because of a leg injury, came back to win the mile run in the Monroe County championship track meet. "The doctors were skeptical about Dan's return to competition and many people had no idea he would rebound so tremendously from his injury," said junior Scott Tortorello. Other qualifiers in the counties were Pat Kelly

with a third place in the high jump Bud Iannone with a fourth place in the 220 yard dash, and Dave Perkins with a fifth place in the 220 yard dash. Many of the trackmen improved their times and Tortorello captured a new school record in the 330 intermediate hurdles. Predmore, Kelly, Iannone, and Perkins qualified themselves for the upcoming sectionals.

Winter And Spring

Sports Wrap Up

Basketball

Improving on last year's 5-7 record, the Girls Varsity Basketball team compiled an impressive 12 win, 6 loss overall record for 1976, which gave them the Monroe County Eastern Division title.

Coached by **Sandy Jago**, the team entered the sectionals for the first year. They were defeated in their first game by Mercy, 29-26.

Leaving the squad due to graduation will be seniors **Deb Cordts**, **Betsey Lauder**, **Cathy Thomas** (co-captain) and **Jane VanHee** (co-captain). Next year's team should be promising because of the experience gained by the bench this year.

Deb Cordts was awarded the Red Raider award and **Cathy Thomas** received the Kathy Marvin award. **Deb Cordts** and junior **Deb Zimmerman** were named to the All-County team.

Gymnastics

The Boy's Varsity Gymnastics Team ended a good season this year with a record of 4 wins and 3 losses.

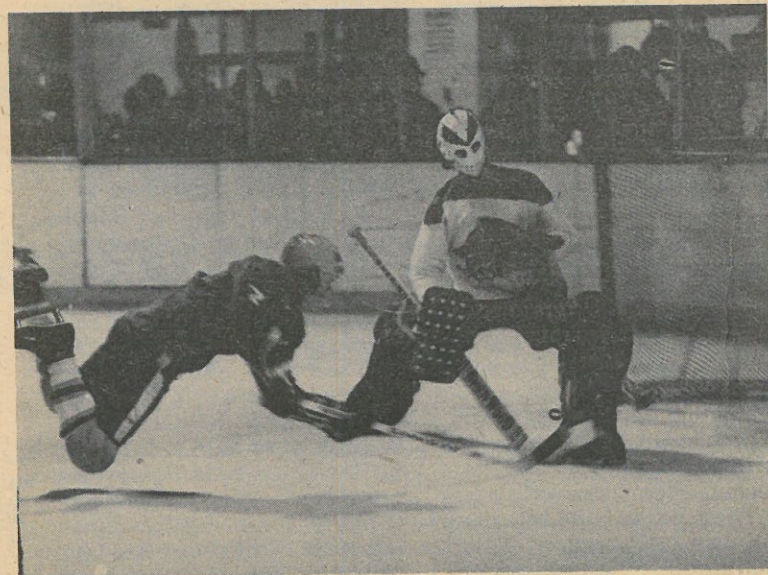

This year's team, coached by **Mr. Paul Jacoby**, included juniors **Joe Cantabene**, **Kevin Halpin**, **Robin Lathrop**, **Sam Montante**, and **Tim Ryan**, sophomores **Dan McFadden**, **John Sechrist**, **Jack Marsh** and **Randy Stuckless**, and freshman **Jim Brown**, **Greg DeLaus**, **Steve Lesko**, **Mark Melyn**, **Mark Sheers**, **Don Ward** and **Jay Williams**.

The team did very well at the Section Five Team and Individual Championships. **Ryan** and **Cantabene** received first and second place respectively in long horse vaulting. **Ryan** also achieved third place on the parallel bars. **Williams** got third place on the trampoline.

Lesko and **Stuckless** teamed up to earn fourth and fifth places respectively in tumbling. **Cantabene** received third on the horizontal bar. **Halpin** got fourth place on the still rings and on floor exercise. Overall **Ryan** and **Halpin** achieved fifth and sixth places respectively in the all-around category.

When the Regional Championships at Syracuse were held, Fairport again did well. **Ryan** tied for second place in long horse vaulting besides receiving sixth place on the parallel bars. **Cantabene** got fifth place on the horizontal bar and **Williams** achieved sixth place on the trampoline.

Boy's Gymnastics will be held in the fall next year and the team can certainly look forward to a winning season.

Hockey

This year's Raider hockey team finished the season with a 5-8-1 win, loss, tie record. The Raiders missed going into the finals by just one point.

Coach **William Kehoe** expressed his feelings that, "This year's team tried, and tried hard to get to the playoffs."

All 23 members of this year's team played excellent games.

Six players of the 75-76 roster won't be returning to Fairport next year. They are graduating seniors: **Rogue Exner**, **Steve Fisher**, **Phil Keenan**, **Pete McDonough** and **Eric Rubsen** and sophomore, **Ray Guilbault**. **Ray** will be moving to the Boston

area. One Raider who has already left the team is **Pete Orr**. **Pete** has moved to the N.Y.C. area. The remainder of the team will hopefully return to the Raider line-up next year. They are juniors: **Scott Brown**, **Scott Campbell**, **Tim Dwyer**, **Ralph Hoover**, **Mark Lloyd**, **Ken McEneaney**, **Warren Smith**, **Bob Stuewe** and **John Sweeney**, sophomores; **Mike Fennel**, **Steve Guglielmo**, **Tim McGuire**, **Charlie McGurn** and **Pete Stomatis**. Freshmen returning next year are **Bob Bundschue**, and **Brian Fagan**. **Mr. Kehoe** gives special thanks to **Dave Bugay** and **Brad Ley** for being managers for the team.

Volleyball

Wickham's Wallbangers completed their best season yet this winter, ending with a 16-2 record and two major championships. Led by seniors **Donna Millecan**, **Ann Swackhammer** and **Cathy Thomas**, and Coach **Gladys Wickham**, the team bumped, set and spiked its way to the sectionals, but was defeated there in a hard-fought match against Brockport.

Along with capturing the Monroe County Eastern Division title, the team also placed two players, juniors **Linda VerSchneider** and **Deb Zimmerman**, on the All-County team. **VerSchneider**, **Zimmerman** and **Millecan** also became All-American Athletes for 1975-76.

On December 29 the Wallbangers hosted and won their Christmas Tournament, beating Geneseo in the preliminaries, 15-4, 15-2 and Brockport in the finals, 15-1, 15-9. Juniors **Judy Olson**, **VerSchneider**, and **Zimmerman**, and sophomore **Kim Darling** were named to the All-Star team. **VerSchneider** received the Red Raider Award.

Next year's season looks promising for the team, as it will have five starters returning. The Wallbangers appreciate the growing support from the school and hope the enthusiasm returns next year.

Millecan And Predmore Receive Athletic Awards

"We hope to build this award up to become one of the most prestigious and sought-after awards given at FHS," said Mr. Don Santini advisor to the Varsity Club.

What was Mr. Santini talking about? The first annual male-female Athlete of the year awards, given out by Varsity Club. The award is given to the athlete who has the best spirit, enthusiasm, and athletic ability. Other things that will be considered in the award selection are the athlete's academic ability and his helpfulness to the team.

Winning the female athletic award was senior Donna Millecan who has participated in soccer, volleyball, and

track. Donna acted as co-captain of the volleyball and track teams.

Winning the male athletic

award was senior Dan Predmore, who was chosen by all of his coaches. He has won seven All-county awards and seven Red Raider awards.

Girl's Track Team Fares Well

"Everyone had the desire and attitude that is necessary for a championship team. It was a pleasure working with the girls we had," reflected Coach Don Hayden.

The Girls Track Team ended its season with 2 wins, 4 losses. Senior Donna Millecan feels, "We can't be disappointed with our record. It is our first year and everyone gave his best."

May 13 the Raider runners were outouted by undefeated Penfield, 67-42. The wind and rain didn't stop Senior Cathy Thomas or Freshman Sue Baker from breaking school records. Thomas defeated all Penfield opponents to take the shot put and powerful long jump of 15 feet. Baker surpassed her previous attempts with 4'6" in the high jump. Freshman Sondra Brooks captured first place in the 100 meter hurdles with freshman Tracey Jones taking second. Freshman Beth Dwyre and junior Cary Margach brought in first and second places respectively in the two mile. Commented Coach Hayden, "Fairport put out a fine performance against an

experienced Penfield team."

The Penfield Invitational was held May 15 at RIT for qualified runners. Fairport made a fine showing, placing seventh out of 14 schools. The girls' final meet was May 25 against Batavia. The Raiders drove hard only to be edged out by two points, scoring 58-56. Margach felt, "It's

too bad we lost the last meet, but everyone gave their all. One of our problems was the loss of two valuable players, Cathy Thomas and Donna Millecan, to injuries."

Margach captured first place in the two mile and Sophomore Cheryl Hoose won second in shot put. After the Batavia meet Hayden's Raiders stopped at McDonald's and reminisced

over the season. Galambos felt, "We had a great coach and team. Just wait til next year!"

The sectional qualifiers are Dwyre in the mile run, Brooks in the 100 meter hurdles, Galambos in the 220 yard dash, and the mile relay team of Freshmen Wemple, Betsy Clayton, Michele Murnin, and Jones. Dwyre commented, "I hope to make the state meet. I'm also looking forward to next year."

Summer B. Ball

by Cary Margach

FHS's head basketball coach Jeff Fitch has selected eleven participants for the Pittsford Summer Basketball League.

Representing Fairport this year will be juniors George Slade, Dave "Buddy" Mark, Dana Weese, Joe Mannix, Bill Brien, Mike Breese, John Witzel, and Tom Roessel. Joining them will be sophomores Jeff Pelin, Brad Deveraux, and Juan Tynes.

Last year, the Raiders finished third after a semi-final loss to Pittsford Mendon with a young inexperienced club, but the previous winter season has given them confidence that they lacked last year.

Although the summer league is set up to give players experience for the upcoming season, Mr. Fitch admits that "Some seniors may be cut to make room for juniors on the regular season team."

Captains have not been announced yet.
